diversity **SCHOLARSHIP PROGRAM**

This program was created as a community outreach effort to financially assist students pursuing an education for any career associated with the health care or public health fields. The scholarships were established, and are sponsored, by Kaiser Permanente's Multicultural Associations/Employee Resource Groups. Our hope is to have an impact on the shortage of diverse health care & public health professionals, and the future delivery of culturally competent care & service. All qualified students are encouraged to apply, including those students who identify as one or more of the following: African-American, Asian Pacific, Latino, Lesbian, Gay, Bisexual, Transgender, Intersex, Native-American and/or as a Person with a Disability.
